

E-Commerce Solutions

Sell products online with the power of MSi E-commerce Solutions

Make it easy for customers to pay for your products and services: Accept credit & debit cards!

A Mukunda Software, Inc Merchant Account makes e-business simple. Increase sales, cut paperwork and reduce risk – our partners authorize credit card purchases, process them and deposit the proceeds into your account. It's simple!

Advantages

- » **Increase sales!** According to Visa International, of every 100.00 spent by consumers, nearly 40.00 is in a form other than cash or check. Plus, the average credit card purchase is considerably larger than cash. A Merchant Account is the quick, easy way for these customers to pay.
- » **Get paid, fast!** Make the move to credit card transactions and start receiving payment within 72-180 hours. And we'll approve your country based application within 5-35 working days. Depend on Country/Region. T&C Apply.
- » **Increase credibility!** A merchant account means you've passed the approval process necessary to accept credit cards. Give your customers confidence – accept credit cards!
- » **Cut paperwork!** Why spend your valuable time processing checks? Instead, have proceeds from all your business' transactions deposited directly into your banking account.
- » **Reduce risk!** Automate your transactions and take any hassle out of your sales. Visitors to your site want the convenience, flexibility and security that credit cards offer. They want to spend!
